Subject: [External] Letter of Protest

To Whom It May Concern:

This is a formal letter of protest regarding Palmetto Wastewater Reclamation, Inc. Request to Chage or Increase its Rates. I am a landlord that rents a single-family home of four. The father makes works a minimum wage job, and the wife is a stay-at-home mom with a special needs child. The father loss work due to the Covid 19 virus, and I as the landlord worked with him and his family so that they could remain in the home. I am retired and use the income from the rent on this home to help support me, because I am on a fixed income, Social Security. I cannot afford to raise the rent for this family, and feel that it is unfair of Palmetto Wastewater Reclamation, Inc. to request this, increase since no visible improvements have been made or seen in the area where this house resides.

I thank you in advance for reviewing my opposition to this increase request. The property is located at: _____

Thank you!
 Ann Carter
 Retired landlord
